Dear M^r Merrill.

Please accept my thanks for the interesting photographs which I find here of my return. I shall be glad to learn of your flights.

I was sorry not to see you in Boston last monday, when I called, and trust you have entirely recovered from your indisposition.

I have a number of clippings about the man who proposes to glide down from Pike's Peak, and I judge he is simply seeking a little newspaper notoriety.

Yours Truly

O. Chanute
