

Dear Amy Berlin. 18<sup>th</sup> Sept. 1888

Business was better to day. I sold to  
six different people for about  
hundred & fifty marks. The goods are  
to be sent about 15<sup>th</sup> of October so  
there will be no difficulty. The  
weather is very pleasant. The people  
are very slow only by talking  
I can induce them to go in for  
it. Stuttgart, Altmünster, Chemnitz  
Neisse, Mannheim & Bielefeld will  
be so happy to get my boxes. To all  
these places I have not done business  
before. I am told that it would be  
very good to travel with my goods and  
commence already at January. Some  
people told me that Grolsch from Weimich  
has offered and received orders from  
them and told that he was the ma-  
nufacturer. This does not matter  
as long as he buys from me  
I hope to hear very soon from my  
Darling  
Yours Grolsch.
