

Leipzig 19th Sept 88

Dear Army,

Sold till now for 375 marks. Goodwill be sent
to E. Benstock. Torgau. Achenleben für
den St. Elisabeth. Marienwerder, Sclendal für
die. Many boxes sold direct. Fell much
better to day have been talking in all
styles. The "Schwiegermama" made the
best effort. Here you can get a box
to make a cottage and all the furni-
ture to get married at once. A whole
theater for ten marks but you must
get the players yourself. Mother
was at my place to day and told me
the the first collection had been sold
and that he would go in for it with
with vigour. Got your cards and am
very pleased with your businesslike
arrangement. Perry & Co is alright.
Mrs Huber who makes her affairs well enough.
I hope to return at Wednesday. The weather
is splendid. The old mill makes two revolutions
per minute. This entitles me to the style
of the Mühlentanz. Never mind, we must
the people take as they are, nevertheless
I make the people expect to estimate my
invention. Tomorrow will be the best day.
Hope soon to hear from my darling again.
