Dear Mung.

Our total is now 480 Mk. I call this
very little but never mind. The costumes
are all new. I expect to sell all the
boxes I got with me. Of No. II I have
only 3 of No. III only 1 of No. IV also
only 1 left. Got your little card
about Pöhlke. You did not tell me
that the box had been sent to
Stuttgart. To day it was rather
dull. New places are Weimar, Weizen
Dresden Götting (Mecklenburg) Nürnberg
Münster. If you had some time to
spare I would ask you to make some
more collages No. II as a lot are ne-
cessary for all the orders. Many of
the orders have only to be sent end of
October so there is no difficulty about
getting ready. There is very little time
between closing the shop and the posting so
I cannot write a long letter as would like to do.
Yours truly,
John Guler.
